

Summerside Residents Association

RULES AND REGULATIONS

REVISED JANUARY
2025

1. USE OF AMENITIES:

The Summerside Amenities are for the exclusive use of Members of the Summerside Residents Association (the “**Association**”) and their guests.

All such Members and their guests are permitted the use of the Summerside Amenities entirely at their own risk, and subject to the Articles of Association (the “**Articles**”) of the Association and these rules and regulations (the “**Rules**”), both as may be amended from time to time.

While using the Summerside Amenities, all Members and their guests must conduct themselves in a manner that is responsible, respectful and safe. Failure to do so may result in the temporary confiscation of a Member’s Membership Card, and/or the suspension or termination of a Member’s rights to access the Summerside Amenities, at the sole discretion of the Association. Dangerous or unlawful behaviour will not be tolerated.

2. CONDUCT OF MEMBERS AND SUSPENSION OF PRIVILEGES

Any member who:

- (a) uses foul or offensive language;
- (b) is disrespectful to or otherwise mistreats the staff or other Members;
- (c) or otherwise fails to follow the Rules;

will be asked to leave the Amenities. Additional consequences for an infraction of the Rules will vary according to the nature and severity of the incident as well as any previous infractions and may include suspension or termination of a Member’s right to access the Summerside Amenities, at the sole discretion of the Association. Dangerous or unlawful behaviour will not be tolerated.

The Association also has a zero-tolerance policy for discrimination against SSRA staff, contractors, and other Members due to their race, religious beliefs, colour, gender, gender identity, gender expression, physical disability, mental disability, age, ancestry, place of origin, marital status, source of income, family stats, or sexual orientation of that person or class of person. Members who exhibit discriminatory behaviour while accessing the Amenities may be subject to consequences at the sole discretion of the SSRA Management and Board of Directors.

3. HOURS

The hours for use of certain parts of the Summerside Amenities will be posted from time to time and no Member or other person will be permitted on them except during the hours specified.

4. MEMBERS

Members will be issued membership cards, which are personal to the Member and are not transferable to any other person. It is a serious breach of the Rules to lend a membership card to another person. Members, when on the Summerside Amenities, should carry their Membership Cards at all times and present them for inspection upon request of the manager, staff or security guards of the Summerside Amenities. Any person 11 years of age or younger must be accompanied by a responsible person who is at least 12 years of age.

Non-payment of annual fees, loss or damage of equipment/facility may prevent entrance until payment or restitution is made.

Membership Cards remain the property of the Association who may require such cards to be returned if the holder of the card breaches these Rules.

A tenant who rents property from a Homeowner Member may use the Summerside Amenities as a Tenant Member, subject to the Articles and these Rules, and will be issued a separate Membership Card. However, the membership rights continue to belong to the Homeowner and remain associated with the Homeowner's property. At its sole discretion, the Association may contact and deal with the Homeowner, the Tenant Member, or both, regarding any issues related to the use of the Summerside Amenities by the Tenant Member.

5. GUESTS

Members 18 years and older are permitted five (5) guests per household per day to access the Amenities. Members must at all times accompany all guests. A Family Member under the age of 18 may not have more than two (2) guests at any time.

Homeowner Members and Tenant Members are at all times responsible for the actions of their Family Members and their guests or their Family Members guests, including their compliance with these Rules. All Guests must be signed in. Members

must be present in the park at all times while their guests are utilizing the Amenities, and guests may not remain in the park after a Member has left.

Members whose access to the Amenities has been suspended for any reason (“**Suspended Members**”) may not use the Amenities at all until the suspension is lifted by the Association. Suspended Members may not access the Amenities as guests of other Members.

Members are strictly prohibited from doing any of the following:

- (a) bringing Suspended Members to the Amenities as their guests;
- (b) signing in other Members’ guests or strangers, as their own guests;
- (c) advertising on social media, or otherwise, that they will bring in guests for other Members, or bringing strangers in as their own guests; and
- (d) asking for and/or receiving financial or any other compensation in exchange for signing strangers or other Members’ guests in as their own guests;

and any such activity may result in the suspension or termination of a Member’s rights to access the Summerside Amenities.

6. FLAG SYSTEM

The Residents Association uses a flag system to help inform users of the potential current risk level of using the lake. The Flags are placed around the lake strategically in various locations that allow them to be visible from different parts of the lake and lakeshore.

Flag Color and Associated Meaning:

GREEN FLAG: No known elevated risk of using the lake. There are always risks associated with lake use, but no additional or increased risks have been identified at this time.

YELLOW FLAGS: Potential elevated risk of using the lake. The lake is open, but please check the SSRA website prior to use for details regarding increased risk, and exercise caution and discretion prior to and/or during use.

RED FLAGS: Known increased risk of using the lake. Lake access is prohibited. Please see the SSRA website for more details.

It is important to remember that there are always dangers associated with using the lake, and Members and their guests use the lake at their own risk. Even when green flags are raised, lake safety, ice strength, water quality etc. can change quickly without the knowledge of the SSRA and some dangers may be difficult, if not impossible for the SSRA to identify. Therefore, **PLEASE NOTE THAT:**

- (a) Members should not rely solely on the flag system and should continue to exercise judgment and caution at all times.**
- (b) this flag system is being provided as a courtesy to warn Members of dangers that have been identified. The SSRA may not be qualified to, nor is it obligated to, identify and warn Members of all potential risks that may exist.**
- (c) the SSRA assumes no liability for any injury, loss or damage related to use of the flag system, reliance by a Member on the flag system, improper or inaccurate assessment of the risk level, or failure to change the flags in a timely fashion, that may occur, or related to the use of the lake in general.**

For clarity and removal of doubt, if red flags are being displayed, it means the lake is closed, and there is no access allowed for any users. Only SSRA staff or approved contractors may access the lake during times red flags are being flown. If Members or their guests are on the lake during these times, the SSRA may contact the proper authorities (Fire Department, Police etc.) to safely remove those individuals from the lake. All costs associated with the removal of these individuals will be incurred by those individuals who were using the lake. Members using the lake at a time when red flags are raised will have their lake access reviewed. Consequences following such a review may include suspension or termination of a Member's right to access the Summerside Amenities, at the sole discretion of SSRA Management and Board of Directors.
